**SUBJECT: FY 2008-2009 Statewide Transportation Improvement Program – Amendment 2**

Dear Mr. Krochalis and Mr. Hartman:

Please approve the following changes, shown as Amendment 2, which will amend the FY 2008 STIP as requested by the Kootenai Metropolitan Planning Organization. The KMPO Board approved this modification during their regular meeting on March 6, 2008.

The request is to increase the amounts programmed from unprogrammed Section 5307 funds available to Kootenai County. Costs shown below reflect federal dollars only and are rounded to the nearest thousands of dollars.

Key No	Location	Year	Original Cost	Revised Cost	Type of Project	Program	Sponsor
10732	Coeur d'Alene	2008	\$490	\$578	Operations	5307	Kootenai Co
10758	Coeur d'Alene	2008	\$85	\$111	Preventative Maintenance	5307	Kootenai Co
10759	Coeur d'Alene	2008	\$187	\$236	Capital	5307	Kootenai Co

There are no air quality implications for these actions and no air quality conformity is required. The Idaho Transportation Department certifies that the above project actions were in accordance with all applicable requirements as described in Section 450.218 of the Statewide Planning Regulations, dated February 14, 2007. The STIP continues to be consistent with the Statewide Transportation Plan as approved by the Idaho Transportation Board in July 2004 and remains fiscally constrained.

Sincerely,

**RANDY KYRIAS**  
Public Transportation Administrator
